Questions? bmousser@hinamauka.org

Proceeds will benefit the
HINA MAUKA KOKUA FUND

which assists some of the most vulnerable in
our society to enter a life free of drugs and
alcohol.

Hina Mauka has one of the highest success rates in the state for alcohol and substance abuse facilities. We have grown over 1000% in the last ten years to meet the demand of the community.

More than ever we need your help to continue this progress.
